Labor and Employment Summer Clerkship Competition

The 2017 Labor and Employment Summer Clerkship Competition submission deadline has been extended to **4 p.m. Monday May 1, 2017 (Deadline has been extended)**. This opportunity is for non-graduating students (including 1L's). Two scholarships are sponsored by the Labor and Employment Sections of the WSBA and the KCBA, respectively. The **clerkship awards fund summer employment with a public interest component in the labor and employment law field**. Students can find the detailed application Guidelines on the Labor and Employment Law (LELA) TWEN site. If they are interested, they can review the guidelines and prepare now by contacting the potential placement organization where they would like to gain experience and interviewing to determine if this organization is willing to host them for summer employment if they win one of the two summer clerkship competitions. ***The best news is that when the potential employers understand that the student's salary is paid for, they are thrilled and often jump at the chance to have a fully-funded summer employee, providing you with the incredible opportunity to gain experience in the field!***
